You have plans for your education.

We have plans to help you pay for it.

**Enroll in a payment plan** to make tuition more manageable.

---

Dear Student/Parent,

**Morgan State University** understands that sometimes you need some help getting the tuition bill paid. That is why we offer tuition payment plans administered by Transact, (formerly Cashnet). Payment plans are convenient, manageable payment solutions that give you the option to pay

tuition in interest-free\* monthly installments, rather than one lump sum. Tuition payment plans offer:

- **MORE TIME TO PAY.** Spread your tuition payments over a period of several months.
- **INTEREST SAVINGS.** Use a payment plan in a place of a traditional student loan to make monthly payments, interest free. You can also use a plan in conjunction with traditional student loans and financial aid.
- **CONVENIENCE.** You can enroll in a plan, manage your account and make payments online, 24 hours a day.

**PLAN TERMS.** Tuition payment plans administered by Transact, (formerly Cashnet) offer you the opportunity to pay your tuition, interest free, in 4 to 3 easy payments, beginning August 1, 2024. The installation plan has a \$35 application fee. No interest (0% APR) is charged under these tuition payment plans.

Tuition & Fees information can be found at: <https://www.morgan.edu/tuitionandfees>

To assure that you are financially cleared for the semester, we strongly encourage you to enroll early so you will be an official BEAR!

\*All available plans and applicable payment options, fees and disclosures will be presented to you during the enrollment process. Enrollment in and availability of plans may be subject to applicable state law limitations. An enrollment fee will apply and other fees may apply to the extent permitted by law. The Full Service Payment Plan is administered by Transact Campus Payments, Inc., a Transact Holdings Inc. company.

The enrollment fee is considered a finance charge which is defined by federal regulations as “the cost of consumer credit as a dollar amount.” To make it easy for consumers to compare this cost to other forms of credit, Transact Campus Payments, Inc. provides the equivalent annual percentage rate (APR), which takes into account a number of variables, including the number of payments, the term, and the amount financed. Maximum APR limits may be subject to applicable state usury laws.
